

What's Happening in Rondeau Provincial Park?

SEPTEMBER

Visitor Centre Hours

OPEN Thursday - Sunday

10am – 4pm

| Date | What is it? | Where is it? | What time? | Description |
|------------------------|---------------------|----------------|------------------------------------|---|
| Saturday, September 9 | Meet the Naturalist | Visitor Centre | 1:00pm–3:00pm (drop by anytime) | “Owl Pellet Dissection” – Come learn how owls eat and digest their food, and get the chance to dissect your own owl pellet! At the end of the activity, you should be able to tell what that owl ate – COOL! |
| Sunday, September 10 | Special Event! | Visitor Centre | 8:30am | “Great Canadian Shoreline Cleanup!” – Join us to participate in our annual Shoreline Cleanup! After the cleanup, we invite all volunteers to stay for a ‘thank-you’ BBQ! Call 519-674-1768 to sign up! |
| Saturday, September 16 | Guided Hike | Marsh Trail | 2:30pm | “Magnificent Migration!” – It’s such a sweet sensation! Why do our birds (and other animals you might not know of) migrate? It’s happening now! Come with Laura to experience the Fall migration! |
| Sunday, September 17 | Special Event! | Visitor Centre | 10:00am–4:00pm | “Monarch Migration Festival!” – Our Monarchs are heading to Mexico! Fun activities throughout the day will include guided hikes, monarch tagging, a native plant sale, and a BBQ! Come check it out! |
| Saturday, September 23 | Evening Program | Visitor Centre | 7:00pm | “Owl Prowl” - Come discover the masters of the night sky: OWLS! After a short indoor talk, we will try to find some resident owls! *Pre-registration is required!* - Call 519-674-1768 to sign up |
| Sunday, September 24 | Movie | Visitor Centre | 1:30pm | “DUCKumentary” – Movie Time! Ducks are true originals – they waddle, glide, dive, dabble, and their feathers shine in every colour of the rainbow. Come fall in love with waterfowl! Refreshments will be available before the show! |
| Sunday, October 1 | Meet the Naturalist | Visitor Centre | 1:00pm–3:00pm (drop by anytime) | “Fall in Love with Trees” – Come see Andrew at the Visitor Centre for a Fall Tree ID lesson! Learn how to ID trees by leaves and bark and see how our animals interact with our trees to get ready for winter! |
